

St Peter's Hospice

Easter window design competition

St Peter's Hospice is launching an Easter shop window design competition for local schools.

Best entries will be displayed in the local St Peter's Hospice shop window.

The winning design will be brought to life in one of our larger stores.

We ask for a suggested donation of £1 per pupil to enter with proceeds going towards patient care.

If just 25 pupils enter per school we could raise £6000.
