St Peter's Hospice
For Patients, Families and Bristol

A beautiful and meaningful way to remember a loved one

St Peter's Hospice invites you to dedicate a leaf on our beautiful hand sculptured Memory Tree, which nestles in the corner of the hospice gardens creating a tranquil place for families to spend time remembering a loved one.

Our unique sculptured tree holds 500 copper leaves. The leaves are engraved with the name of a loved one who has died, making it a poignant and lasting way to remember them.

“Over the years, many families have asked for personal memorials in the hospice which we have been unable to provide. So we hope the Memory Tree will provide the opportunity for families to have that special memorial at the hospice, for them to remember that special person”

How it works:

- A beautiful copper leaf will be engraved with the name of your loved one.
- You will be invited to hang the leaf on the memory tree at one of our special remembrance services and spend some quiet reflective time in our tranquil gardens.
- We can arrange additional appointments with our bereavement team for you to hang your leaf if you are unable to attend or do not wish to attend one of our remembrance services.
- Leaves will hang on the tree for 12 months. After 12 months, you will be given the opportunity to keep your leaf on the tree, have it returned for you to keep or following the cycle of nature, you may choose to have your leaf kept at the hospice in a special area beneath the tree.

Dedicating a leaf

To dedicate a leaf on the Memory Tree, please complete the form overleaf and return it with your donation to the fundraising office. We are asking people to consider a donation of £100 but the amount you donate is entirely up to you. If you have any queries about the Memory Tree, please contact us on **01275 391 400**.

Supporting Bristol's Hospice

By having a leaf you are remembering your loved one in a very special way and also helping to raise valuable funds for the hospice, helping us to continue to provide services to our patient and their families free of charge – thank you for your support.
